

EXQUISITE SERIES

Beyond Imagination

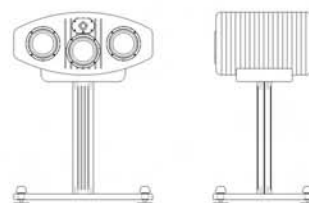

EXQUISITE CENTER

The center-speaker has a very important role in a home-cinema system, because most of the speech is mixed down to this speaker. By using two of the three ceramic units for the sub-low and the remaining for the mid range the frequency-area of speech will be brought alive in a way that has never been done before.

The multiple-layer wooden cabinet is pressed in between two HPL plates, leaving no room for resonance of the body and creating a completely dead cabinet. The no-compromise units, a diamond tweeter, a laser-trimmed ceramic mid unit and two ceramic sub units combined with a crossover without compromises makes this Kharma worlds best full range centre channel essential to any upper end home cinema setup.

Available with or without the massive stand. As all Exquisites, this speaker uses the recently developed Kharma Connectors, guaranteeing a negligible loss of information. Available both active with a super highend kharma amplifier or passive

Technical Specifications

Type	EXQ-CT-1.0-P / EXQ-CT-1.0-A (Active version)
System	3-way
HF Driver	25 mm diamond concave
Mid Driver	1 x 165 mm concave ceramic
Bass Driver	2 x 165 mm concave ceramic
R.M.S. Power	200 W
Dynamic Power	400 W
Frequency Range	35-100k Hz
Efficiency 1W/1M/dB	91 dB
Maximum SPL	114 dB
Impedance	4 Ohm
Connection	Kharma Binding Post

Dimensions

Height (in)	41
Depth (in)	20
Width (in)	29
Weight (Kg)	82

The seven standard colours

1. Piano Black 2. Jewel Green 3. Aubergine 4. Bronze
5. Champagne 6. Diamond Black 7. Lapis Lazulli Blue

Features

Specials internal cabinet treatment with advanced polymer.
Advised external cable: Kharma Cable (pure silver/gold conductors).

Enigma technology: Enigma cable internally and from crossover to units at most highest quality silver-gold cryogenic treated in combination with crossover network in a very exclusive laboratory process.
