

EXQUISITE SERIES

Beyond Imagination

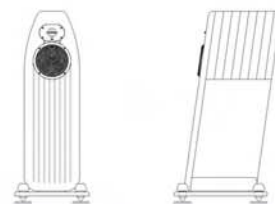

EXQUISITE SERIES

The Exquisite Mini has been designed to place the same amount of quality as an Exquisite Reference in a room of moderate dimensions. It uses extreme dense HPL-plates to keep in the low frequency waves and beautiful massive wooden sides milled by high-tech 5-axis c&c hightech.

As all Exquisites the Mini uses a diamond tweeter as a HF driver and a laser optimised ceramic unit as a mid driver. All Exquisites use the recently developed Kharma Connectors, guaranteeing a negligible loss of information.

"We have a big problem with your new speaker," one of our distributors told us. "What?" we replied, shocked. "It is too good!"

Technical Specifications

Type	EXQ-MN-1A
System	2-way
HF Driver	25 mm diamond concave
Mid/Bass Driver	165 mm concave ceramic
R.M.S. Power	100 W
Dynamic Power	200 W
Frequency Range	30-100k Hz
Efficiency 1W/1M/dB	89 dB
Maximum SPL	109 dB
Impedance	8 Ohm
Connection	Kharma connector

Dimensions	
Height (in)	36
Depth (in)	12
Width (in)	16
Weight (Kg)	160

The seven standard colours	
1. Piano Black 2. Jewel Green 3. Aubergine 4. Bronze	
5. Champagne 6. Diamond Black 7. Lapis Lazulli Blue	

Features	
Specials internal cabinet treatment.	

Standard equipped with internal Enigma wiring: Enigma cable internally and from crossover to units at most highest quality silver-gold cryogenic treated in combination with crossover network in a very exclusive laboratory proces.

Advised external cable: Kharma Enigma Loudspeaker Cable (pure silver/gold conductors).
