

Kharma®

EXQUISITE SERIES

Beyond Imagination

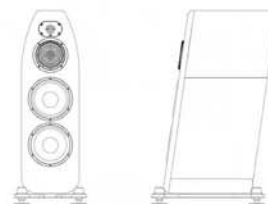

EXQUISITE SERIES

The Exquisite Midi has been designed to place the same amount of quality as an Exquisite Reference in a room too small for a Exquisite Reference. It uses extreme dense HPL-plates to keep in the low frequency waves with beautifully shaped real wood on upper sides to guide waves into optimal dispersion.

As all Exquisites the Midi uses a 25 mm diamond tweeter as a HF driver and a ceramic unit as a mid driver. All Exquisites use the recently developed Kharma Connectors, guaranteeing a negligible loss of information due to extreme high contact force.

Technical Specifications

Type	EXQ-MD-1A
System	4-way
HF Driver	25 mm diamond concave
Mid Driver	165 mm concave ceramic
Bass Driver	225 mm nomex kevlar
R.M.S. Power	200 W
Dynamic Power	400 W
Frequency Range	24-100k Hz
Efficiency 1W/1M/dB	90 dB
Maximum SPL	113 dB
Impedance	4 Ohm
Connection	Kharma connector

Dimensions	
Height (in)	39,8
Depth (in)	11,8
Width (in)	18,1
Weight (Kg)	160

The seven standard colours	
1. Piano Black 2. Jewel Green 3. Aubergine 4. Bronze	
5. Champagne 6. Diamond Black 7. Lapis Lazulli Blue	

Optional features	
Specials internal cabinet treatment with advanced polymer.	
Double silver/gold wiring for all units.	
Advised external cable: Kharma Cable (pure silver/gold conductors).	

Enigma upgrade: Enigma cable internally and from crossover to units at most highest quality silver-gold cryogenic treated in combination with crossover network in a very exclusive laboratory proces.
