EXQUISITE SUBWOOFER

The Exquisite Sub with it's 7.0 cm excursion moves the air in your room in such a way you can listen to music with all your body. It is the perfect match for the Grand Exquisite and both Exquisite Reference speakers.

But thanks to the many input and output options this 2 horsepower sub is also easily lined up together with the Midi or even Mini. The underhung neodymium magnetsystem allows a continuing 100% drive.

In this active speaker the 18 inch unit is being driven by a Kharma amplifier. The unit is placed in a cabinet made of heavy HPL plates finished with massive wooden parts. Every part of this unique speaker is aimed at only one goal: forming the ultimate subwoofer that will create the perfect
